 As the **Team Representative**, I verify that I have checked the eligibility of my players and that each of them is in compliance with the regulations as set forth by USA Rugby (or my National union if a foreign based club). I understand that if I am found to be in violation of those regulations my team and myself will be subject to strict disciplinary sanctions that may include fines, suspension or forfeit of matches.

The age cutoff is the player's age as of the start of the tournament. There will not be age or weight verifications. The team contact is signing this statement of responsibility as part of the roster. If it is found that a team has misrepresented a player's age, the team's matches will be forfeited, the team banned from the event in the future and the person signing/submitting the roster will be held liable for any damage caused by such misrepresentation.
